Sir, I am directed to refer to the report called for

11) The report of the chairman, Bungalows etc. Improvement Trust Board on the representation of Sri S L Ramaya Rao, Sri M Ramachandra Rao Sahukar and other gentlemen of the Maharatta community to acquire the Inam land belonging to the Gosain Matt at Gamparam for the extension of the Palace, is submitted for perusal with reference to paragraphs 1, 5, and 8 of the notes

11

12) It is seen from the report that land to the extent of 1 acre and 11 guntas out of S No 58 of the ganjam Village is proposed to be acquired for the formation of an extension near Ramakrishna mutt, a revised layout in respect of which has already been received and sent to the chief Engineer for Roads and Buildings for scrutiny

13) The chairman of the Trust board is not informed of the request to leave out this land from acquisition and the minister for Finance & Endowments who inspected the place on 17/3/48 as reported to have ordered that it was not desirable

to leave the land in question and that the question of giving a site in exchange for the land for the location of a Hostel might be considered, after the formation of the extension

14) On their representation of 10-5-48 (flg R), Sri Ramachandra Rao Sendra & others represented that the land should be given for buildings to be put up only for the Maharatthas etc the chairman is also not in favour of this request but he says that the grant of one or two sites abutting the footpath Kuttahalli Road, each measuring 60 x 10' may be considered

15) On the above circumstances and in view of the fact that the layout of the Ramakrishna Mutt extension has already been revised as per instructions issued from this office, the point for orders is whether petitioners may not be informed that their request to leave the land belonging to the

Agm gland belonging to Gosan Mutt at Gan-puran

Gosan Mutt from negotiation cannot be accepted and that the Trust should be requested to consider the question of granting a site in lieu in exchange, to the Mutt authorities after the formation of the Agmt question is approved by

B A N G A L O R E.

Sir,

Adverting to the correspondence ending with your letter No L 17199 dated 29th May 1945 asking for report on the petition of Sri Rama Chandra Rao Scindia and others addressed to - Government regarding acquisition of lands belonging to the Gosai Mutt at Gavipuram in connection with the layout Scheme behind - Ramakrishna Mutt, I have the honour to state that lands comprising 1 Acre 11 Gts of S No 58 of Gavipur village are included in the Ramakrishna Mutt lay-out as per modified layout plans sent by Government in your No L 11751/R dated 15-12-47

It is seen from the sketch and plan enclosed that S No 58 which is shaded runs practically along the proposed Gavipur Guttahally Road at varying width ranging from a few feet in the Southern End and covering two entire sites of 60' x 100' each on the North side

It can be seen that the whole layout on this side will get adversely affected and the 10 uniform sites of 60 x 100 provided will get cut up into small bits by compliance with the request of the petitioners

The Ramakrishna Mutt extension Scheme has been revised by the Trust Board in accordance with the orders of Government communicated in your letter No L 11751 dated 15-12-47 referred to above As finally formulated and submitted to Government for sanction, the Receipts from the Scheme taking the realization at Rs 9/- a Sq yard for the sale of house sites at Rs 15/- per - Sq yard of shop sites will be Rs 3,29,777/-, while the estimated expenditure will be Rs 2,75,000/- leaving a margin of Rs 54,777/- against any unforeseen expenditure The Scheme has been submitted

P T O

submitted to Government for sanction under Section 17 of the City of Bangalore Improvement Act

Under 14(7) of the Act the Board shall as soon as may be after it shall have been constituted under this Act proceed to draw up detailed Schemes for the improvement, expansion or both of the various parts of the City on the basis of and with due regard to the orders passed or that may here-after be passed by Government

The Minister during his inspection on 17th March 1948 on the representation of the persons interested in the Gosai Mutt property expressed the view that it was not desirable to leave out the land under reference from acquisition as it would interfere with the layout and that the question of giving a site in exchange for the land for the location of a Hostel might be considered, after the formation of the Extension This can be considered after the Scheme is in the first instance sanctioned by Government and sites are laid out

In this connection I may point out that it is stated ... the petition dated 17-1-48 by the deciples of the Mutt that the land was granted to the Mutt by Sri Shaji Maharaj and on account of its ~~xxxx~~ historical and religious back-ground, these lands be left out of acquisition

One lady Smt R Muthu Bai Lane has applied on 3-4-48 for the grant of this land for putting up a Girls' Hostel for members of the Maharatta community and for building a library and Reading room for the general public She has prayed that it should also be left out of acquisition

Now in the latest application dated 10-5-48 the prayer is made that the land should be given for buildings to be put up only to Maharattas, the lay-out charges being recovered from the Institution and the benefit of the buildings to accrue to the Gosai Mutt

fldr

Should the Government sanction the Scheme of the

Ramakrishna Lutt Extension for such public purposes for the community, the grant of one or two sites round the Lutt abutting the Gavipur Guttahalli Road, each measuring 60 x 100 may be taken up for consideration by Government in passing - final orders

It is further to be pointed out that if small tenents in the building sites are allowed to come up the entire yout is likely to be affected

A plan showing the 3 No in question in relation to e entire layout as also the Cosai Lutt and the sites round out, is enclosed

The petitions received with your Lemos Nos L 13353 ted 10-2-48, No L 15655/A 1 157-43-3 dated 7-4-48, No L 16529 ted 4-5-48 and D O letter No L 17199 dated 29-5-1948 are here th returned

I have the honour to be,
Sir,
Your most obedient servant,

Cyr Narayana Rao
